

Legacy – Turn Archives Into Story

Photos and documents matter most when their stories are understood.

Our **Legacy** tier is about capturing names, memories, and meaning — before they disappear.

Who This Is For

- Adult children preserving parents' history
- Families preparing for milestones
- Anyone who wants to pass on more than files

What You Receive

- A curated storytelling plan
- Recorded identification interviews
- Selective image restoration
- Heirloom photo book or digital collection
- Written timeline or narrative summary
- Share-ready collections

This is often the most meaningful work we do.

Optional Enhancements

- Video slideshow
- Transcribed oral histories
- Additional books or prints

Typical Timeline

Most Legacy projects take **4–10 weeks**, depending on interviews and design.
